

Santa's List

Dear Santa,

I want a radio-controlled boat, a game console, a racing car toy, and a surprise. Give Mummy 2 more presents than Daddy to make her happy. And for my little sister a little bike and the adventures of Lili. And do not forget a chocolate giraffe! Take a big sack because there will be 15 presents for our family!

Thanks a million,

Eimear

How many presents will the mother get?
